

AtiverTALK

Product Datasheet

AtiverTALK delivers the rich features, functionality and most importantly BENEFITS of high-end business telephony solutions.

If you are considering a PBX or associated functionality for your business, looking to save money on your phone bill, or improve your productivity and effectiveness by never being out of the office again, AtiverTALK is the way to go.

Our primary commitment to all AtiverTALK Customers is to ensure that 'Big Business' Solutions are packaged and made available to ALL customers, however big or small. Modern technology allows us to do this.

<p style="text-align: center;">AtiverTALK Bronze Single line £4.98</p> <ul style="list-style-type: none"> • Is your bill greater than £20 per month? If so we can dramatically reduce your bill. • Get an Additional Phoneline through your Broadband. • Get a landline number for anywhere in the country. • "Follow-me" Never miss a call again. • No need to change from BT. • Use your existing BT handset – one phone with Ativer & BT on it! 	<p style="text-align: center;">AtiverTALK Silver 2-5 lines £4.25 each</p> <ul style="list-style-type: none"> • Reduce your phone bill by 85% • Get additional Phonelines utilising BB. • Transfer calls to other offices – or to mobile. • Remote regional Offices / Workers always 'on-net' (free calls). • "Follow-me" Never miss a call again. • Link home and business lines. Free to call. • Full "PBX" features. • No Capex or Opex other than the line rent.
<p style="text-align: center;">AtiverTALK Gold 6-20 lines £3.50 each</p> <ul style="list-style-type: none"> • Reduce your phone bill by 85%. • Multiple lines through the Broadband. Reduce the number of ISDN lines to achieve Direct Dials and Concurrent calls. • All the benefits of an IPPBX without the cost of buying or managing it. • Bring regional and international offices 'on-net' – free internal calls globally. • Have a geographic number specific to your target areas, like London and Edinburgh? 	<p style="text-align: center;">AtiverTALK Platinum By Agreement</p> <ul style="list-style-type: none"> • No need for expensive infrastructure and ISDN lines • Bring regional and international offices 'on-net' • Have a number specific to your target areas – London and Edinburgh? • No large capital investment required for a PBX – just the benefits • Design and deliver additional features and functionality – by agreement • Complex and multiple site installations

All AtiverTALK customers benefit from huge savings on call costs compared with our competition.
